

GRASS HEADS

NON-MESSY

A great activity for anyone who prefers to stay clean and they can get involved in making their grass heads as much as they want.

Soil or compost

Grass seeds

Watering can or spray bottle - or you can even use your fingers tips

Pot or container - try recycling a yoghurt pot or butter container.

Decorations (optional) - you could use some sharpies to draw a face on your pot or you could even use stickers or googly eyes.
