

# SENSORY SOUNDS

## WIND

### SONG LYRICS

The rattling window,  
The wind, the wind.  
The creaking doorframe,  
The wind, the wind.

The whisper of the trees,  
The wind, the wind.

(Ooh, ooh...)

If I were a leaf  
Trembling on that tree  
And you were the wind  
You would catch me.

If I ever were to fall  
You would carry me  
Further than I'd go...  
If the wind didn't blow.

(Whistle solo)

If I were a boat  
Setting sail today,  
I'd need that support  
To make my way.

On a journey that seems long  
But with the wind in my sails  
I'd be sure to go -  
Further than I'd go -  
If the wind didn't blow.
